SHARON NELSON

FOR CHIEF OF SELKIRK FIRST NATION

My name is Sharon Nelson (Roberts),
my traditional name is Thäk téné'e te
hindi 'eagle sitting looking around'.
I am a member of the Wolf Clan.

My parents are the late Sarah Sims (Roberts) and
Greg Sims. My grandparents are the late Maggie
Baum and Luke Roberts. I was born and raised
in the Yukon. I come from a hard-working family
where my parents were very involved in the
community. My mother Sarah worked in various
roles in the community, one being a health care
provider. My father Greg was known to deeply care
about the community and the people. He also took
on many roles, one being a carpenter.

After graduating from high school and completing
my Post Secondary studies in British Columbia,
I returned home to Pelly Crossing. It was then
my husband and I began fostering children and
supporting families. I continue to live a healthy
lifestyle and want to contribute all I can to help
make positive changes for the people and our
Nation.

Our ELDERS play a KEY role

I believe that our Elders and our traditions are the
backbone of our identity and our values. Keeping this
alive and passing this on has to be a priority.

I understand and will uphold our Elders' vision for our
governing bodies: the Council, the Family Heads, the
Elders Council, and the Justice Council
