Working together

Teamwork is important to me; I believe that when we work together, we can improve efficiency and productivity for the Nation. I am not here to make promises until you are heard, if elected I will be sure to make your voice heard.

We have heard from the Elders- *Everyone's voice matters, we must WORK TOGETHER, help each other to make a better community.*

Skills and knowledge

- I have served as your WOLF Councilor for 2 terms, where I have gained a wealth of information and knowledge.
- I have been an employee of SFN Lands Department for several years, where caring for our culture, land and resources is the upmost important to me and the future of our people.

Communication

Effective Communication is important to me, I know it is essential for the people, I will strive to build on keeping you informed and to continue building healthy partnerships no matter where you reside.

Leadership style

I would describe myself as driven, I encourage others to participate in the process developed by SFN, share options, and know that they are heard, I am detailed oriented and direct, I uphold others accountable for their work and actions, I am committed, transparent and visionary.
